TravelMate X Series

All-metal Business Notebook

TravelMate X3

Dressed to Impress

The Acer TravelMate X3 is fully encased in an aluminum chassis that feels as good as it looks. Measuring less than 18mm and weighing only 1.5kg, work on the go has never been this easy and visually appealing.

Indispensable Performance

Intel® Core™ processors combine with DDR4 memory and a SSD to give you the performance you need. With an optional Acer Type-C Dock, output to 2 external 4K displays, transfer data and power your notebook with just one cable.
