## SOPHOS PRODUCT OVERVIEW

## RACK YOUR SOPHOS APPLIANCE!

### STANDARD RACK MOUNT SOLUTION FOR DESKTOP FIREWALLS & SWITCHES

Rackmount.IT offers high-quality 19" rack mount kits that combine superior quality with affordability. Our kits feature convenient front connections, secure power supply, custom-designed airflow cut-outs, and a precise fit for your specific network appliance. Additionally, we excel in handling custom projects and warmly welcome inquiries for creating tailored rack mount kits for any appliance. Please note that a minimum order quantity is required to ensure cost efficiency.

RM-SR-T10 SD-RED 20 - SD-RED 60

RM-SR-T11 XGS 87 - XGS 107

RM-SR-T12 XGS 116 - XGS 126 - XGS 136

### WHY RACKMOUNT.IT?

- Front facing connections
- Secure devices out in the field
- Prevent accidental power disconnect
- Prevent the appliance from overheating
- Quick to install, save time and money
- Rackmount.IT is perfect for larger projects
