DOCKING

Targus universal docking solutions are compatible with the majority of mainstream devices and ensures you and your workforce can be productive whenever and wherever you choose to work. Universal being the operative word, our docking stations connect to almost any laptop, tablet or smartphone to a variety of peripherals – from monitors to printers, keyboards to external hard drives – via a single cable from your USB port.

DOCK190AUZ

USB-C UNIVERSAL DUAL VIDEO
4K DOCKING STATION WITH 100W POWER

KEY FEATURES:

USB-C Dual Video 4K compatibility with range topping 100W USB power delivery over a single cable.

Full backward compatibility with USB3.0 and 90W DC laptop charging.

Compatible with Thunderbolt 3.0.

Integrated experience with Targus utility software.

WHY CHOOSE TARGUS DOCKING STATIONS?

1. UNIVERSAL COMPATIBILITY

Targus Universal Docks are compatible with almost 90% of devices on the market today.

2. EXCLUSIVE SOFTWARE

Targus' exclusive software provides superior performance for companies looking to embrace activity based and connected workplaces.

3. PATENTED CHARGING

Targus' patented universal power tip technology provides support for legacy connections and increases hardware lifecycle usage rates.

Targus recommend confirming physical fit and compatibility of devices with cases and accessories before sale.

ACCESSORIES

Targus desktop accessories are designed to last and are suitable for the home or office and everything in between. From charging to connectivity and for creating the ideal workspace, Targus has the solution for all your needs.

LAPTOP PRIVACY SCREEN FILTER
FOR 13.3" WIDESCREEN
(ASF133W9USZ)

KEY FEATURES:

The 4Vu Privacy Screen reduces the viewing angle on your laptop screen to safeguard information and sensitive data from prying eyes in the office or in public.

Low-reflective coating to block glare and help reduce eye strain.

65W USB-C WALL CHARGER
WITH QUALCOMM® QUICK CHARGE™
(APA104AU)

KEY FEATURES:

Compatible with USB-C™ laptops, tablets and phones with included detachable sync-and-charge USB-C cable.

Built-in power supply protection to ensure safe use with over voltage, over current and over temperature protection.

Qualcomm™ Quick Charge™ 3.0 technology to charge phones and tablets.

USB-A port to charge a second device.

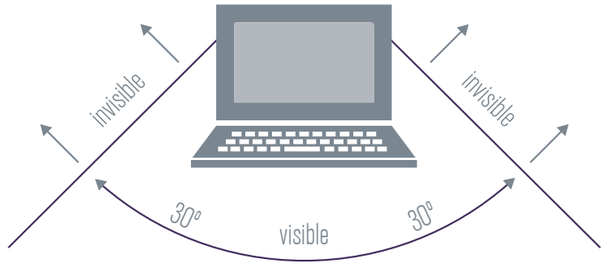
PRIVACY SCREENS

Targus Privacy Screens are available to fit tablet, laptop and desktop monitor screens from 9.7" to 27" including the latest devices. To find the right privacy screen for your device, visit:

targus.com/au/au-explore-privacy-screens



Targus privacy screens narrow the viewing angle so data is only visible from directly in front of your screen.
