TravelMate P2

Out of this world performance
out of the office.

 Windows 10

INTRODUCING THE NEW

TravelMate P2

POWER WHEREVER YOU GO

With the TravelMate P2, it has never been easier to work away from the office. Step up your productivity through a combination of increased processing power, portability, and durability bundled with a wide range of business features and advanced connectivity options. For the professional on the road, there's no better choice.

NEW TRAVELMATE P2 ENHANCEMENTS

10th Generation Intel® Core™ Processors

Over 30% lighter – starting at 1.625kg

Thinner design – less than 20mm thin

Ultra-Fast Wi-Fi 6 (802.11ax)

ALL-IN-ONE STYLE

With an elegant matte black design weighing just 1.625kg¹ and less than 20mm¹ thin, the TravelMate P2 combines style, functionality and portability all into one device.

The TravelMate P2 adapts to you, with the 180° lay flat design allowing you to find the perfect viewing angle for whatever situation you're in.

< 20mm thin

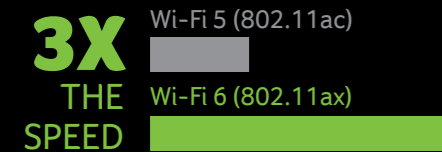

weighs 1.625 kg¹

1. Specifications may vary depending on model and/or region.

TAKE OFF WITH WI-FI 6

With advanced Intel Wi-Fi 6 (802.11ax) technology, enjoy a smoother wireless experience with up to 3 times the speed of standard Wi-Fi 5 (802.11ac). That means faster file transfers, less buffering and more doing.

WORK HAS NEVER LOOKED BETTER

Your documents and work come to life on the FHD¹ display, now featuring increased brightness, expanded contrast, and amazingly accurate colors. The narrower bezels create an even sleeker look.

¹Specifications may vary depending on model and/or region.

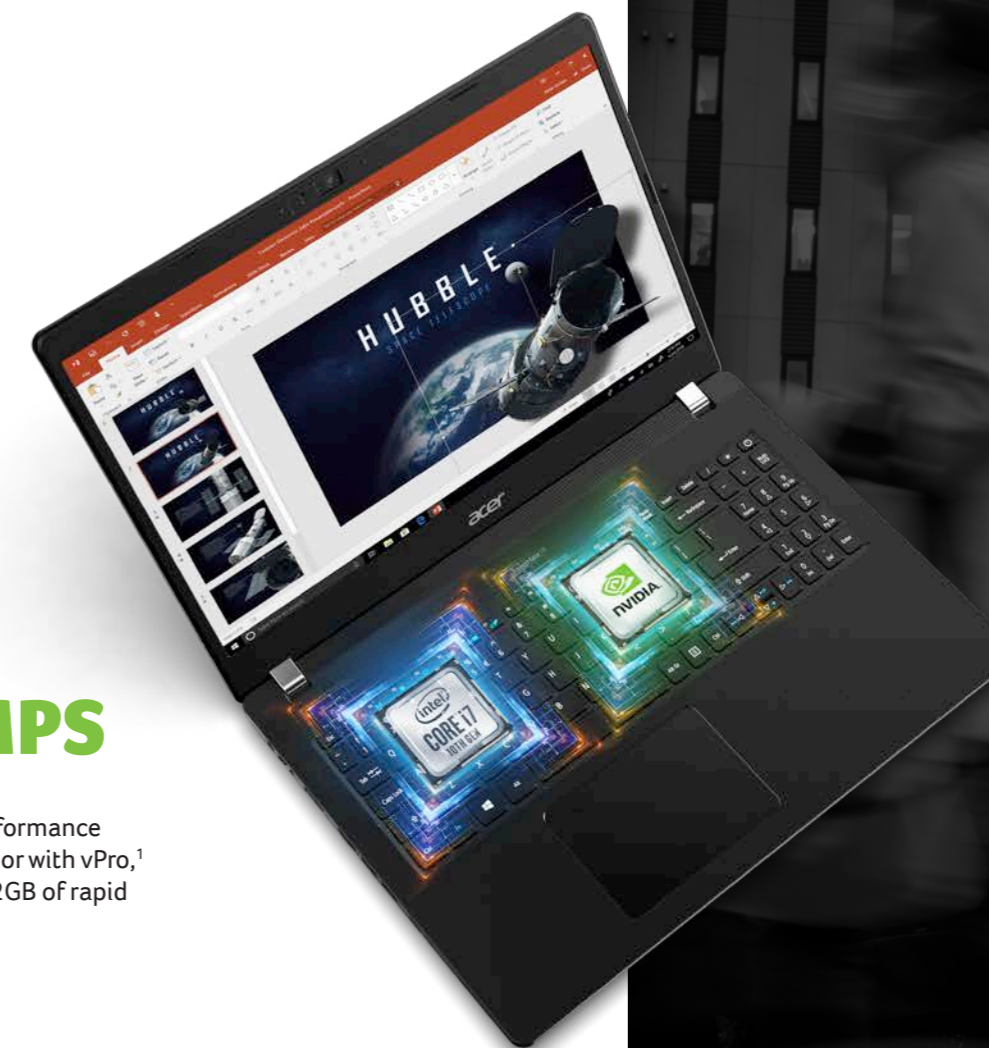

SECURITY CONSCIOUS

The security of your device is vital. And when you're out of the office, it's even more important to protect your data.

The TravelMate P2 provides secure authentication and safeguards your company data through TPM 2.0, while Windows Hello with Fingerprint Reader allows you to unlock your device with just your fingertip.

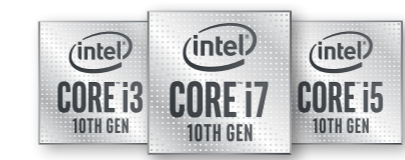

When the video call is complete, the camera cover keeps the HD webcam blocked and your privacy protected.

acer

NO SPEED HUMPS

Stay on the move without compromising on performance with a powerful 10th Gen Intel® Core™ i7 processor with vPro,¹ NVIDIA® GeForce® MX230¹ graphics and up to 32GB of rapid DDR4 memory.¹

¹Specifications may vary depending on model and/or region.

BUILT FOR HARD WORK

Step into your all-day meeting without looking for a powerpoint. With up to 13 hours of battery life¹, the TravelMate P2 lets you focus on work, not your battery indicator.

And when the meeting is over, throw it in your bag and hit the road – the Military Standard² tested and impact-resistant chassis stands up to daily wear and tear, ensuring it can survive shocks, drops, rain and more.

1. Battery life varies depending on product model, configuration, power settings and usage, among other factors.
2. MIL Standards (MIL-STD 810G) are a set of U.S. military grade tests to check the durability of a wide range of products.

NO MISSED CONNECTIONS

The TravelMate P2 provides the ports to cover you in every situation and every unfamiliar meeting room. Never meet a projector you can't connect to again with HDMI, VGA and USB Type-C ports. Combined with an ethernet port and SD card reader, you'll be ready for anything.

EXPAND FURTHER

When you're back in the office, expand your options even further with the Acer USB Type-C Dock.^{1,2} With the dock connect multiple 4K displays, charge multiple devices and connect all of your peripherals without additional adapters

1. Specifications may vary depending on model and/or region.
2. Compatible with Acer USB Type-C Dock II & III
